

ARCHER MANUFACTURING

# OPS<sup>®</sup> Vandal Proof Dispensers

# WARRANTY

For the period of 5 years from production date stamped on the dispenser, Archer Manufacturing will Replace or refurbish any OPS<sup>®</sup> Vandal Proof Dispenser that has been damaged due to any type of vandalism at no charge to the client subject to the limitations of this warranty. This warranty applies only up to the value paid to Archer Manufacturing for each individual dispenser.

The repair or replacement will be either at no charge, in the first year, or a prorated charge to the client as detailed below. All repairs and replacements are subject to the limitations of this warranty.

The damaged dispenser is to be sent to Archer Manufacturing. It will be Archer Manufacturing's option whether to repair or replace the dispenser with a new or refurbished one at no cost to the client. Shipping charges may apply.

Should a dispenser be damaged within the first year of service, Archer Manufacturing will repair or replace it at no charge. After 1 year from the production date stamped on the dispenser, there may be up to a 50% charge to the client for repair or replacement which will be at the discretion of Archer. After 3 years from the production date stamped on the dispenser, Archer will cover up to 25% of the replacement or repair fee. After 5 years from the production date stamped on the dispenser, this warranty is void unless extended in writing by Archer Manufacturing.

This warranty does not cover any dispenser that has not been properly mounted and installed. This warranty does not cover graffiti, cosmetic blemishes, the locking mechanism, damage that does not affect the usability of the dispenser, or damage that occurs through the use of tools. Archer Manufacturing shall determine if the dispenser is covered under the warranty after inspecting the dispenser. This warranty is void if any other product other than Genuine OPS<sup>®</sup> Brand has been used in the dispenser at any time unless a letter of warranty extension is issued by Archer Manufacturing to another Archer authorized brand. This warranty is also void if the dispenser is left unlocked and vulnerable to Vandalism.

This warranty takes effect in April, 2016 and supersedes all previous warranties.
